Florin Bighiu
Full Stack Developer

👤 Profile

Dynamic Full Stack Developer adept in all stages of advanced web development. Over the past eighteen months, I have gained valuable experience in multiple technologies, including Java, Spring Framework, JavaScript, React, Node.js as well as SQL and NoSQL databases such as PostgreSQL MongoDB. Able to effectively self-manage during independent projects, as well as collaborate in a team setting.

💼 Employment History

Full Stack Developer at Codecool Romania, Internship
December 2022 — June 2024

- Created RESTful APIs that allowed for seamless integration with other applications
